

Role of a Return to Work Coordinator

P-E COURSE CODE: TROHS 009

A Return to Work Coordinator is the key person in the workplace that assists injured workers to remain at or return to work as soon as safely possible after injury. They also assist their employer meet their return to work obligations under the *Accident Compensation Act 1985*. Return to Work Coordinators need to have an appropriate level of seniority and competence to perform their role.

P-E Handley-Walker is approved by WorkSafe to deliver the two day VWA endorsed 'Role of a Return to Work Coordinator' training course.

This course addresses all Return to Work Coordinator competency requirements and covers:

- The return to work process and the role of the Return to Work Coordinators.
- Information that the Return to Work Coordinators will need to support and assist employers and injured workers.
- Information and underlying skills that will assist Return to Work Coordinators to facilitate the successful return to work of injured workers.

This training may also be of value to line managers, supervisors and Health and Safety Representatives.

P-E Handley-Walker can tailor training to suit your needs and those of the workplace. Training can be delivered on-site at your workplace. Contact us for further information and to discuss your requirements.

For further information contact William Ray on 0412 439 334 / 03 9708 8809, email training@p-handley-walker.net.au or visit www.p-handley-walker.net.au .

Duration: 2 days

Price: \$500.00 (plus GST) per person for the 2 day course
